

SIGN DAY IS
SET FOR NOV. 21

Voluntary Alliance Agrees to Talk
at Association At Sunday
Services.

Monday, Nov. 21, will be Rescue
Sunday by order of the
Rock Island Ministerial association.
In the morning and evening ser-
vices, James Daubney, superin-
tendent of the mission, will present
the needs of the organization, visit-
ing as many churches as possible.
The ministers will also speak on the
subject.

A mass meeting is planned for
the afternoon at which Miss Elmer
Millar, Australian, lecturer,
will be the speaker. The
places for the meeting has not been
decided on, as yet. Assisting Miss
Millar on the program will be G. O.
Rogers of Lincoln, Neb.; F. Daniels,
of Waterloo, and F. Ward of Cedar
Rapids. Miss Millar is holding
evangelistic meetings at the Broad-
way Presbyterian church this week
and next week at the First Baptist
church.

In the last 11 months the Res-
cue Mission has lodged 2,849 men
and boys, has had an attendance at
chapel services of 6,462, prayed
with 137, attended at fall and
church services of 462, at working
men's class in last seven months
of 97, and has provided clothing to
many needy people. The mission
makes a plea for old clothing which
it will distribute to the poor.

Begin Hot Water Drinking If You Don't Feel Right

Says Glass of Hot Water With
Phosphate Before Breakfast
Washes Out Poisons.

If you wake up with a bad taste,
bad breath and tongue is coated; if
your head is aching; if what you
eat sours and forms acid in stom-
ach, or you are bilious, constipated,
nervous, sallow and can't get
feeling just right, begin inside bath-
ing. Drink before breakfast, a
glass of hot water with a teaspoon-
ful of limestone phosphate in it.
This will flush the poisons and
toxins from stomach, liver, kidneys
and bowels and cleanse, sweeten
and purify the entire alimentary
tract. Do your inside bathing im-
mediately upon arising in the
morning to wash out of the system
all the previous day's poisonous
waste, gases and sour bile before
eating more food.

To feel like young folks feel: like
you felt before your blood and mus-
cles became loaded with body im-
purities, get from your pharmacist
a quarter pound of limestone phos-
phate, which is inexpensive and al-
most tasteless.

Men and women who are usually
constipated, bilious, headachy or
have any stomach disorder should
begin this inside bathing before
breakfast.—(Adv.)

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies Are Using
Recipe of Sage Tea and
Sulphur.

Hair that loses its color and lus-
ter, or when it fades, turns gray,
dull and lifeless is caused by a lack
of sulphur in the hair. Our grand-
mother made up a mixture of Sage
Tea and Sulphur to keep her locks
dark and beautiful and thousands
of women and men who value that
even color, that beautiful dark
shade of hair which is so attrac-
tive, use only this old-time recipe.
Nowadays we get this famous
mixture improved by the addition
of other ingredients by asking at
any drug store for a bottle of "Wy-
eth's Sage and Sulphur Compound,"
which darkens the hair so natu-
rally, so evenly, that nobody can pos-
sibly tell it has been applied. You
just dampen a sponge or soft brush
with it and draw this through your
hair, taking one small strand at a
time. By morning the gray hair
disappears; but what delights the
ladies with Wyeth's Sage and Sul-
phur Compound is that, besides
beautifully darkening the hair after
a few applications, it also brings
back the gloss and lustre and gives
it an appearance of abundance.—

DOCTORS DIDN'T HELP HER SICKLY CHILD

Is strong and healthy now.
Mother says Milk's Emul-
sion saved its life.

"Last May my three-year-old baby
was taken very ill, not so bad that we
expected her to die at any time. Had
four doctors but they did not know
what ailed her and finally stopped
coming. She had been sick about 5
months when I started giving her
Milk's Emulsion. I noticed results
from the first and by the time she had
taken 2 bottles she was absolutely
strong and healthy. I am thankful to
say Milk's Emulsion saved her life."
Mrs. Willis S. Pitts, Nacogdoches,
Texas.

For restoring appetite, health and
strength in sickly children, mothers
will find Milk's Emulsion the thing
they have always sought. Most
children like to take it, because un-
like many emulsions and tonics, it
really tastes good.

Milk's Emulsion is a pleasant, nutri-
tive food and a corrective medicine.
It restores healthy, natural bowel ac-
tion, doing away with all need of pills
and physics. It promotes appetite and
quickly puts the digestive organs in
shape to assimilate food. As a builder
of flesh and strength, Milk's Emulsion
is strongly recommended to those
whom sickness has weakened, and is
a powerful aid in resisting and repair-
ing the effects of wasting diseases.
Chronic stomach trouble and constipa-
tion are promptly relieved.

This is the only solid emulsion made,
and so palatable that it is eaten with
a spoon like ice cream.
No matter how severe your case, you
are urged to try Milk's Emulsion under
this guarantee—Take six bottles home
with you, use it according to directions
and if not satisfied with the results,
your money will be promptly refunded.
Five 70c and \$1.50 per bottle. The
Milk's Emulsion Co., Terre Haute, Ind.
Sold by druggists everywhere.

"I'LL PRAISE IT LONG AS I LIVE"

Moline Woman Tells of Wonder-
ful Improvement Since Tak-
ing Tanlac.

"Tanlac has made a well and
happy woman of me and I'll praise
it as long as I live," said Mrs. John
Miller, 342 Second street, Moline,
Ill.

"Before taking Tanlac I'd suf-
fered so long with a bad stomach
and other troubles that I was in a
mighty bad condition generally.
Nearly everything I ate disagreed
with me and frequently I had so
much trouble in breathing I had to
lie down ever so long. My back
over my kidneys hurt me constant-
ly, and I had rheumatism in my
legs so bad I could hardly walk."
"Finally the rheumatism got so
bad I couldn't dress myself, and my
nerves got in an awful fix. Sleep
was almost impossible and I was
just going down hill rapidly. I had
tried so many things without get-
ting any relief I became despond-
ent and lost nearly all hope of ever
getting well."

"It certainly was a turning point
in my life when I began taking
Tanlac, for in a short time there
was a decided change for the bet-
ter in my condition. I kept on im-
proving with each bottle of the
medicine, and now after finishing
my seventh bottle I feel like a new
woman and haven't an ache nor a
pain. Tanlac is a grand—I wish
everybody could know about it."
Tanlac is sold in Rock Island by
Benson's drug store and Carl E.
Schlegel drug stores and the lead-
ing druggist in every city.—(Adv.)

The Day in Davenport

Church at War.—War among the
colored brethren of the Third Baptist
church which broke out anew
in district court recently promises
to simmer along for a matter of
three or four weeks until Rev. F. K.
Nicholson, center of the storm
cloud, concludes his business in
Nashville, Tenn., and returns here
to defend himself against ostensible
proceedings set for hearing before
Judge F. D. Lettis next Friday.

Desecration and trustees of the little
colored church, fearing that Rev.
Nicholson would destroy the church
edifice, applied to the district court
Tuesday for a temporary injunction
restraining the battling pastor from
molesting the church property.
The application was ignored by the
court.

Phed Berkehl Car.—Stolen more
than a year and a half ago, the
Chandler Chummy roadster of
Charles Berkehl, well known Davenport
show man, has been 55
miles from here while the search
has been going on. The discovery
of the automobile has resulted in
the exposing of a ring of auto deal-
ers in Galesburg which has been
doing a rushing business in stolen
cars for many months. Police of

Davenport and Galesburg are now
looking for A. E. Powell of Gales-
burg, race driver and car salesman,
as the leader of the coterie of
crooks.

Fleed Guilty.—Henry Schroeder
and George Claussen, who confess-
ed to the theft of an automobile
owned by John Murphy, pleaded
guilty to larceny from a building
before Judge F. D. Lettis in crim-
inal court late Tuesday. They were
sentenced to an indeterminate term
not to exceed 10 years in the state
reformatory at Anamosa and pa-
roled to the custody of their par-
ents.

Says He Took Wink.—After 24
hours on the police grill in the in-
quisitorial chamber, Frank Strong
switched his story and confessed
to the robbery of the Lorrain cel-

lar, 1933 Scott street, two weeks
ago, when 45 gallons of wine were
stolen. The empty cask which
once held Lorrain's wine were
found in the barn of William Bred-
feldt, whom Strong implicated, at
1518 West Sixth street. Police also
declared yesterday that William
Bredfeldt, who was arrested Tues-
day night as the latest suspect in
connection with the round-up of
the booze gang, also admitted that
he stole the wine in company with
Strong.

Stores Closed.—Retail stores,
large and small, are closed
throughout Davenport today, in
conformity to Mayor Barewald's
proclamation setting aside Armis-
tice day as a municipal holiday.
The general store closing was an-
nounced by the heads of the three
largest department stores yester-

day morning and the other retail-
ers immediately fell in line, aban-
doning their previous closing plans.
Several large offices also announce-
ed an all day closing, and with
banks and schools likewise shut all
day today business is practically
at a standstill.

Marriage License.—Ernest A.
Johnson and Hannah I. Johnson,
both of Davenport; Guy D. Bacon,
Rockville Center, N. Y., and Mary
Molyneux, Davenport.

Death Record.—At the home of
her parents, Mr. and Mrs. Rollin
Ruick, 1730 West Ninth street, oc-
curred the death of Miss Myrtle
Ruick yesterday morning. Death
followed an attack of heart trou-
ble. Miss Ruick was born in Davenport
June 15, 1897.
The death of Mrs. Anna Rohm,

2517 Harrison street, occurred yester-
day at Davenport hospital, after
a lingering illness. The deceased
was born in Vern, Holstein, Ger-
many, Feb. 8, 1851.

Arrest Forger.—Charged with
forgery, C. T. Flora was arrested
yesterday on complaint of C. Wer-
ner, a student at the Palmer
School of Chiropractic, who claims
that he cashed a worthless \$20
check offered him by Flora.

NOTICE FOR BIDS.

Bids will be received at the may-
or's office until 10 a. m. Nov. 20, for
furnishing the city of Rock Island
with liquid chlorine for the purifi-
cation of water for one year from
